Teacher Requirements

26. Please check the following to indicate you meet the following requirements for participating in the free professional development.

- I have classroom responsibility for at least one section of Investigations in Environmental Science for the 2008-09 school year.
- I have access to an Internet-connected computer at home or school.
- I have access to computers at school (one for every three students in each class twice a week).
- I will attend up to a one-week workshop between July 7th and July 28th, 2008 (specific date TBA) and am available to participate in online professional development over the school year.
- I will commit to 48 hours of either on-line or face-to-face professional development.
- I will commit to teaching environmental science for the next two years.
